ABOUT US

We are a group of nearly 200 people of many nationalities: Britons, Dutch, French, Germans, Italians, Swiss, Canadians, Americans, etc., but mostly Belgians.

Almost all of us live in Belgium - anywhere from Ostend to Arlon - but some members live in the Netherlands and others in Luxembourg.

Each year, we provide a number of opportunities to meet fellow members: each meeting being a social and cultural event! We organise one event most months - such as visits to castles, historic buildings, towns and gardens, lectures on the activities of The National Trust and local conservation projects, and even concerts.

We have no regular meeting place but once a year we come together in the spring for our Annual General Meeting. At the end of the year we hold a traditional reception in Brussels. For other events we meet at the venue.

Every year we organise a trip to the United Kingdom to visit "behind the scenes" properties of the Trust and other places of interest.

We publish a newsletter twice a year and all our events are listed on the web - www.ntab.be

Our Association was founded in 1997 to support and prosper the work of the National Trust in England, Wales and Northern Ireland and to promote social activities to give more value to your membership of the Trust. It is the only Supporter Group outside the United Kingdom.
